

Landscape Rehydration Introductory Workshop

19 June 2025

Hands-on brushpack workshop!

Learn how to read water processes to interpret landscape health. Discover the strategies that deliver results. This hands-on brushpack workshop is open to all mohair producers in Australia and other parties by invitation and forms part of the Australian Mohair Industry Drought Resilience Implementation Plan (AMIDRIP).

This free one-day landscape rehydration workshop presented by Mulloon Institute provides a foundational understanding of a farm's water cycle and our approaches to rehydrating rural landscapes.

Explore a range of strategies and get hands on building natural brushpack structures that can optimise a farm's water cycle and improve landscape function.

Hosted by Nolani McColl and Peter Munday - Members of the Australian Mohair Marketing Organisation (AMMO).

You'll need to bring: *lunch, gloves, hat*

You'll be provided with: *morning tea, tea and coffee*

Mulloon Institute is a leading research and education organisation helping to build resilient regional communities by supporting the long-term, sustainable growth of Australian agriculture.

Time

9am – 3pm

Venue

69 Gilberts Lane,
Braidwood NSW
